**Note 1 - Other Applicable Fees**

The Refund Calculation Worksheet is an *estimate* only. The Refund Due is based on the assumption that the student has paid his/her tuition in full.

There may be other non-tuition charges that may reduce your refund amount which include but are not limited to:

- |                 |                           |                              |                             |
|-----------------|---------------------------|------------------------------|-----------------------------|
| Bank Wire fees  | Deferment Fees            | Trois Pistole Immersion Fees | Inlop Fees                  |
| Outlop Fees     | Late Registration Fees    | Western 1 Card Fees          | Health and Dental Plan Fees |
| Sealing Charges | Letter of Permission Fees | Late Payment Penalties       |                             |

**EXAMPLE:**

You are a **Canadian** student enrolled in a **Master of Arts Program, full time, for Summer 2012** and have paid your tuition before the start of the session. You have withdrawn on **June 1, 2012** according to the add/drop form provided by your academic counsellor

Refer to **Graduates - Summer 2012 Full Time** Tables to determine the figures for this example:

- Table 1 - Total Refundable Tuition and Cancellation Fees
- Table 2 - Refund Rate

The total Refundable Tuition paid	\$2,352.11	line 1
The Refund Rate	68%	line 2 (June 1, 2012)
(line 1) x (line 2)	<b>\$1,599.43</b>	<b>Total Refund Due</b>
