The schedule assumes the student has paid 100% of tuition at time of withdrawal. If 100% has not been paid, the refund or amount owing is the difference between total charges and payments.

Withdrawals after the last date to withdraw without academic penalty do not relieve students of the obligation to pay the second instalment of tuition fees

Changes in course load may significantly affect eligibility for OSAP, scholarships and need-based awards. Contact Student Financial Services at (519) 661-2100 to make an appointment with a Financial Aid Officer.
