**NOTES:**

1. The schedule assumes the student has paid 100% of tuition at time of withdrawal. If 100% has not been paid, the refund or amount owing is the difference between the total charges and payments.
2. Withdrawals after the last date to withdraw without academic penalty do not relieve students of the obligation to pay the second instalment of tuition fees.
3. Changes in course load may significantly affect eligibility for OSAP, scholarships and need-based awards. Contact Student Financial Aid at (519)661-2100 to make an appointment with a Financial Aid Officer.
4. Students who change from full to part time after classes begin are charged the full-time non-refundable fees, cancellation fees for each full/half/quarter course dropped, and prorated tuition for the dropped courses based on the date(s) provided by the Faculty Academic Counselling Office. Students should refer to the full-time refund schedule for the applicable full-time non-refundable fees.
