Course Enrollment Cart

Use the enrollment cart to input your courses prior to your enrollment appointment start time, so you can enroll in them simultaneously once your appointment starts.

1. Log in to Student Center.
   Go to Academics > Course Registration > Search and Add.

2. Select a Term.

3. Enter Class Nbr, or use “Additional ways to search” to find the course you want to add.

   Note: Your Class Nbr (4-digit number assigned to each class section) can be found on Draft My Schedule by scrolling to the bottom of your draft to your list of courses.

4. Select your preferred course from the results and follow the registration prompts.

   Note: If you would like to join the waitlist, answer “Yes” to the question “Add to waitlist if class is full?” and then click on the accept button. If the waitlist question is not visible, a waitlist is not enabled for the course you have selected.

5. If you selected “Add to Enrollment Cart”, you have not yet enrolled in the course.
   Go to your Enrollment Cart to finalize your course registration.

6. Review the confirmation message.
