

Structure of Undergraduate Year Statement

The Fall/Winter Undergraduate term runs September until April each year. Students who are registered in a minimum of 3.5 credits or higher are considered academically full-time. The Summer Undergraduate term runs May to August and is optional. All students registered in the Summer term are academically part-time*.

Undergraduate students who do not register in the Summer term are on an approved study break.

*For students registered in the Nursing Externship, the Summer term is a mandatory, full-time term.
